Old Business:

- Our annual Fall Regional Car Show had 116 cars which was a lower attendance than last year. The charity this year is St. Luke's Pediatric Hospital for Children. At the meeting a motion was passed to donate \$1,500 to this charity. Melissa & Anna did a great job with 50/50 tickets and the baskets as those combined raised \$1,140. It was brought up to form a dedicated car show committee for future events with the hope of getting more sponsors and “outside” baskets to raffle to help increase the event income.
- Our annual Fall Driving Tour had 34 cars participate even with possible rainy weather predicted. Tim Custer helped to detail the driving route to include QR scanning of the route for Google maps to make the driving for single drivers much safer and helpful. We ran a similar first half and lunch stop and switched up the 2nd half and finished with ice cream!
- SAAC 50 was held in California with 5 club members attending. The side tours were amazing and included trips to The Cobra Experience and DenBeste Motorsports for fantastic displays and very rare items on display. The convention itself was described as “OK”.
- Ray Price Ford had another cars & coffee type morning that provided a good time for the attendees.
- The annual club Holiday Party is set for Saturday, December 13 at the Superior Restaurant in Emmaus from 6:00 - 10:00. Price will be \$30.00 per person with a choice of 4 great meals. As always please bring a new unwrapped toy to donate to the local Toys For Tots program.
